

# Standard 8 Belt Sander

The Bona® Standard 8 Belt Sander offers the professional flooring contractor, as well as the Do-It-Yourself/rental customer, a lightweight and compact belt sanding machine, which is designed to be user friendly and provide professional results at an outstanding, affordable price. This durable machine is an excellent choice for the rental market.

The precision balanced, American made motor is mounted on a German engineered chassis. A spiral-grooved sanding drum with a precision pressure adjustment allows for aggressive, virtually chatter-free sanding.

The Standard 8 has an easy-operating drum lever to lower the drum to sanding position. Also equipped with an emergency stop switch, which can be removed when the sander is not in use, to provide operational security.

The Standard 8 Belt Sander comes complete with a 1-year warranty, tool kit, 30 feet of 12/3 yellow non-marking cord, and an owner's manual.
